

Become a Toms River East Little League Sponsor!

TRELL has been an anchor in the Toms River community for 51 years. Our 501(c)(3) non-profit organization operates as a volunteer baseball program only with the financial support of local and corporate sponsors alike. With your support, we can allow the local boys and girls, ages 4-16 - in nine different divisions, to continue the TRELL tradition!

We are proud to represent our community and have established a NEW sponsorship program that will create a cooperative partnership with the local businesses and organizations that serve our members.

BECOME A SPONSOR

Our partnership via sponsorship will allow us to provide many things, including:

- Improving and maintaining our fields
- Providing up-to-date and safe gear for our players
- Providing for other league operational costs such as Umpire & Coach training, insurance, league fees, etc.
- Providing assistance for players in need
- Assisting and supporting our Challenger division

As a TRELL Sponsor, your business or organization will experience visibility to locals and visitors alike. We aim to deliver recognition through various public channels before, during and after our seasons. Our website alone is viewed by over 700 families with an average of 60,000 hits per year. We are a community-based league with players and their families involved in events, including the states longest running opening-day parade, post season tournaments and events! We are always looking to establish partnerships with local organizations that would benefit both our members and local businesses.
